of rewards book and incentive stickers.

Our Student Saver incentive program provides youth the opportunity to be rewarded for meeting quarterly savings challenge goals! Students who meet these requirements will receive incentive stickers in their newsletter. Stickers must be collected in their Fulda Area Credit Union rewards book, which should be received upon account opening, or may be obtained at any branch. Once a student fills their entire rewards book with incentive stickers, they may bring it to any branch and exchange it for one of the available prizes at that time!

Students are only eligible for one sticker per qualifying event or challenge, therefore students should not have duplicate stickers. All incentive stickers are responsibility of the student/guardian. Lost or stolen stickers will not be replaced. Stickers will not be distributed after the event or challenge has been completed.
