QUARTERLY CONNECTION

Hello! My name is Christina Hanson. You can call me Chris. I am the new Marketing Specialist for Fulda Area Credit Union. I have been with the Credit Union for just over a month now and it has been an awesome experience. I can't wait to meet all of you. Do not hesitate to reach out to me, or swing by my office at the Windom branch to introduce yourself! I look forward to seeing all of you at future events and as always, please let me know if you have any suggestions for an event that you would like to see from the Silver Liner Program!

Thank you, - Christina Hanson

TAX Time

Watch for these signs of tax identity theft:

- More than one tax return was filed in your name.
- You have a balance due, refund offset, or collection action taken against you for a year in which you did not file a return.
- Internal Revenue Service (IRS) records show you received more wages than you actually earned.

Reduce your chances that an identity thief will snag your refund with these steps:

- Don't give your Social Security number to anyone unless absolutely required.
- Avoid giving personal information over the phone, via mail, email, or on the internet unless you initiate the contact and are sure of who is asking.
- Obtain your refund yourself rather than via refund anticipation loans. Contact the IRS Identity Protection Specialized Unit at 800-908-4490, ext. 245, if you think you may be at risk.
